**Individual charter school counts**

Enter total student counts for the charter school for PSD, K-8, and 9-12 students. Student count must be estimated student counts based on actual registration of students. Actual registration of PSD and kindergarten students should be divided by 2 to get estimated student counts for kindergarten. After the 100th day in session, the ADE FY 2023 ADM20 should be used, available via ADE Connect, AzEDS Portal. Schools approved to provide 200 days of instruction will adjust their FY 2024 budget for discrepancies between the FY 2023 100th-day and 200th-day student counts. **Base support level adjustments [A.R.S. §§15-943 & 15-185]**

- Check box if the school has been approved to provide 200 days of instruction by ADE.

A.R.S. §15-902.04 allows schools that provide 200 days of instruction to increase the base level amount by 5 percent. To be eligible for this increase in funding, the school must be approved for 200 days of instruction by ADE and its sponsor. Schools must receive approval from ADE for FY 2023 prior to June 1, 2022. Please contact ADE's School Finance account analyst team by email with questions concerning 200 days of instruction at [SFAAnalystTeam@azed.gov](mailto:SFAAnalystTeam@azed.gov).

- Decrease for federal and State monies received for M&O purposes

\$ \_\_\_\_\_

Enter the amount received from federal or State agencies for basic maintenance and operation of the school (except for ESEA Title VIII). Do not include federal or State grants that are received for a specific purpose. (A.R.S. §15-185)

In accordance with A.R.S. §15-185(P), the Auditor General has determined that the following federal monies meet the definition of "monies intended for the basic maintenance and operations of the school" (as referred to in that subsection), that must be used to reduce the base support level and State equalization assistance, as directed by A.R.S. §15-185(D). This list is not necessarily all-inclusive. The Auditor General may determine in the future that other federal or State grants meet the definition of "monies intended for the basic maintenance and operations of the school."

- Indian School Equalization Program entitlements received for:
  - Instructional costs (basic program, gifted & talented programs, and small school adjustment)
  - Bilingual instruction costs (supplemental programs-bilingual program)
  - Exceptional child education costs (exceptional child programs)
  - Student Transportation Fund costs
  - School Board Training Fund costs (school board supplement)

Indian School Equalization Program entitlements received for boarding costs, dormitory costs, intense residential guidance costs, and pre-kindergarten costs would not be subject to the reduction.

- Administrative cost grant entitlements received.

- FY 2021 nonfederal audit service actual expense

\$ 25,000.00

Schools must include audit costs for FY 2023 under "Selected expenses by type" on Budget page 2 to receive this increase. Enter the amount expended for audit services in FY 2021 from nonfederal monies to obtain the allowable increase in BSL for the budget year. Do not include the costs of consulting or other nonaudit services paid to audit firms (e.g., application fees paid for submission of school's reports to ASBO and GFOA for certification or for the preparation of the Meritorious Budget Award application to ASBO). A.R.S. §15-914(F) allows schools to increase their base support levels if audit costs will be incurred for the budget year.

- FY 2021 federal audit service actual expense

\$ \_\_\_\_\_

Enter the amount expended for audit services in FY 2021 from federal monies. Do not include the costs of consulting or other nonaudit services paid to audit firms (e.g., application fees paid for submission of school's reports to ASBO and GFOA for certification or for the preparation of the Meritorious Budget Award application to ASBO).

- Adjustment for remote instructional time [A.R.S. §15-901.08]

\$ \_\_\_\_\_

This line should be left blank for budget adoption. If a school provides instructional time in a remote setting beyond the thresholds prescribed in A.R.S. §15-901.08(C)(3)(b)(i) in any school year, ADE shall calculate the total percentage of remote instructional time that exceeded the threshold and fund that percentage of the base support level at 95 percent of the base support level that would otherwise be calculated for the school. ADE will notify schools of the adjustment amount, if any. Enter the amount provided by ADE, if any, as a negative number.

However, the cells have not been protected so users may also enter the information manually. To bring forward amounts automatically, the most recently revised FY 2022 budget must be saved as budget22.xls in the C:\CSFORMS folder. If the file is not named budget22.xls, the formulas will not function properly. Excel will ask the user to update information when the budget23.xls file is opened. Users should review amounts reported in the prior year column to ensure they agree to the school's most recently revised FY 2022 budget.</p> <p>Schools should complete the Data Entry page before completing pages 1 through 4. 1	Employee benefits	Schools participating in the Arizona State Retirement System should budget at the rate of 12.17 percent for covered positions. For positions subject to the Alternate Contribution Rate, schools should budget at the rate of 9.68 percent.
2	Federal and State projects	Separate accountability is required for each federal and State project. Therefore, charter schools should estimate the expenses for each federal or State project in which the school participates. The totals on line 33 should agree with the total columns for federal and State projects on line 37 of page 1. A.R.S. §15-1261 requires charter schools to establish an E-rate Project to account for any E-rate funding the school receives. Include monies budgeted for the E-rate Project and monies received from the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, the American Rescue Plan (ARP), and any other COVID-19 federal relief projects, including Elementary and Secondary School Emergency Relief (ESSER, ESSER II, and ESSER III), within Other Federal Projects on line 17.
2	College Credit Exam Incentives	Schools that receive monies from the college credit by examination incentive program per A.R.S. §15-249.06 should deposit them in Project 1456—College Credit Exam Incentives. Schools must distribute at least 50 percent of the bonus monies received from this program to the classroom teacher for each student who passes a qualifying exam and to other teachers of relevant subjects who instructed that student, including but not limited to teachers in the same department or subject matter that contributed to the student passing the exam, as identified by the governing body or the school principal. The remainder of any bonus monies received from this program must be allocated by the school principal on behalf of students who receive a passing score and may be used for teacher professional development or student instructional support, reimbursement of exam fees, or instructional materials.
2	Results-based Funding	Schools that receive monies from the Results-based Funding Project per A.R.S. §15-249.08 should deposit them in Project 1457—Results-based Funding. Monies received should not supplant monies budgeted or received from any other source that are generally provided to that school. The majority of the monies received must be used at the school that earned the results for teacher salaries, to hire teachers, for school leader salaries, for classroom supplies and for other strategies to sustain outcomes for students at that school. A portion of the monies received may be used for expanding and replicating that school site as a quality school model.

2	Arizona Industry Credentials Incentive	Schools that receive monies from the Arizona Industry Credentials Incentive Project per A.R.S. §15-249.15 should deposit them as a separate State project using project object code beginning with 14XX. Monies received must be used for instructional costs and professional development for a career technical education program teacher to become a certifying professional for an approved certificate, credential or license; to offset the students' cost of certification, credentialing or licensure; for developmental costs related to creating, expanding or improving an approved site of a certificate, credential or license career technical program or course; for instructional hardware, software or supplies required for the certification, credentialing or licensure; for career exploration in any school grade and awareness activities for parents, students and the community for the approved sectors.
2	Capital acquisitions	Enter the increase in the capital asset accounts (intangible assets, land and land improvements, site improvements, buildings and building improvements, equipment, and construction in progress) for assets to be acquired by purchase, lease purchase, or construction for all projects.  If the school budgets for capital acquisitions related to the K-3 Reading Program, include the increase in the capital asset accounts for those acquisitions by asset type on lines 1 through 6. The total of all capital acquisitions for the K-3 Reading Program should be reported on line 8.
